The hearty hand-shakes and taking over of old times made the hours all to orien. There, were also represented; about two hundred persons in all. The hearty hand-shakes and taking over of old times made the hours all to orien. Spanish court, cholera-bound in Paris. In Marseilles on the 17th of September, 87 deaths were registered, of which 52 were deaths by cholera, and the whole city is flying from the scourge that threatens all. Amid the universal panic, however, one man redeems the honor of his city by giving an example of fidelity, humanity giving an example of fidelity, humanity the black man cannot be made available and courage worthy a Roman soldier. It is in the South. In North Carolina, be adds,

Nor is this all. The dreaded disease too on a young woman living near that has already overleaped the last dividing city. We now learn that Judge Skinner, Black River, and with space but one that lies between its Oriental of this State, who went to Louisville as home and America. It has shown itself in his counsel, telegraphs that the evidence drove the frightened game into England. A well-authenticated case has in the case is closed, and that it proves no half a mile square of woods on the bank attacked is dead. And we hear vague ru- will be discharged.

East the work of preparation against the a great concourse of people. disease and of fighting against it is going bravely forward. In Toulon they are burning fires of fir and pine nightly in all the streets of the city, as they did in 1835, the streets of the city, as they did in 1835, hoping thus to keep off the pestilence, Throughout France and Spain they are cleaning out the cess-pools of our civilization, and, wherever it is possible, enforcing health and cleanliness. In England they the LEADER. are up and doing. Hore in America, al-

The account of the attempt of Dr. Mudd so escape from the Tortugas, which has been extensively published and for which, we believe, the New York Herald is responsible, is, we sincerely hope, a false ones for if it is true, some government officers proddings of sword and bayonet in a coalbin, by which the prisoner was upearthed a wound from a sword-thrust having elicited from him a "roar of pain" which betrayed his hiding-place adds that to him." If there be the least shadow of
